

**JEREMY CHAN**

田铭耀

Jeremy Chan was spotted from "Project Superstar II" and has since been on his road to stardom. Jeremy has been very distinctive with his head of corn rows, cheeky humour and his unique "Japanese-looking" charm.

Even without prior formal training in hosting, his natural and approachable demeanour won him audiences of all ages in one of Mediaacorp's top rated variety <On the Beat>.

Though a relatively new artiste in the entertainment scene, his repertoire in acting, hosting and singing is ever growing and set to greater heights! Blessed with smooth striking vocals coupled with a soulful personality and a versatile image- Jeremy is all set to take the entertainment scene by storm!

2006 的《绝对 Superstar》，以一头前卫的长发，一身嘻哈打扮 的田铭耀在几千人的选拔赛中打进了 16 强。最擅长唱抒情歌曲的他拥有余生据来的好嗓子。唱起歌来总让人佚游未经，听出耳油！

但他的才华不仅是唱歌。反映机智的他也是综艺节目《都市大发现》的主持人之一。近年来人气直上的铭耀也首次在 2010 年参与了电影《做人》的演出。

帅气十足的新近小生将是一颗闪亮的明日之星！
